

CPTED Readiness Self-Assessment

SCORE YOUR CAMPUS AFTER THE NIGHT WALKTHROUGH

Walk your campus after dark, then score each question below. Every "I don't know" scores a zero, because not knowing is itself a finding.

CAMPUS / AREA _____ ASSESSED BY _____ DATE & TIME _____

SCORE EACH 0-2:
HOW WELL IS IT HANDLED?

2 Solid — no issue
found

1 Needs work — partial
gap

0 Failing — or you don't
know

NATURAL SURVEILLANCE

SUBTOTAL ____ / 6

- 1 Faces clearly recognizable at 30 feet after dark (not just silhouettes)? _____ ☐ /2
- 2 Routes between residence halls and parking have natural "eyes on the path" after 9 PM? _____ ☐ /2
- 3 Landscaping kept low enough that it can't conceal a person (hedges, canopies, corners)? _____ ☐ /2

NATURAL ACCESS CONTROL

SUBTOTAL ____ / 4

- 4 Public vs. restricted space is obvious without a sign? _____ ☐ /2
- 5 No doors propped, taped, or "temporarily" disabled that should be locked? _____ ☐ /2

TERRITORIAL REINFORCEMENT

SUBTOTAL ____ / 4

- 6 Entrances signal "someone is responsible for this space"? _____ ☐ /2
- 7 Boundaries defined by design (paving, lighting, low walls), not left ambiguous? _____ ☐ /2

MAINTENANCE & IMAGE

SUBTOTAL ____ / 6

- 8 Lights on the three busiest night routes are all working (you know the count)? _____ ☐ /2
- 9 Report-to-repair time for broken lights/doors is short and tracked? _____ ☐ /2
- 10 A parent walking at 10 PM would read the campus as cared-for? _____ ☐ /2

TOTAL SCORE

____ / 20

READINESS BAND

- 16-20 Proactive.** The environment is working for you. Maintain and re-walk each term.
- 10-15 Developing.** Clear gaps to close. Turn low scores into work orders now.
- 0-9 Reactive.** The environment is working against you. Prioritize immediately.
